We warmly welcome new players and interested individuals to join us, regardless of any previous experience in these sports.

Throughout the day, we have planned a series of activities designed to introduce you to the world of hockey and rugby. Our knowledgeable coaches and players from our junior teams will be available to share their expertise and guide you through the key skills required to enjoy these sports. Whether you're curious about the rules, equipment, or simply want to get a taste of the action, our friendly chats will provide valuable insights and answer any questions you may have.

Don't miss out on this unique opportunity to immerse yourself in the excitement these sports offer and come and see our plans to bring new sports and people to the club with our SHARC 30 Project, as part of a regeneration of the current site.

The sessions will start from 10:00 am through to 3:30 pm on Sunday, June 4th, we invite you to drop into our session at the Stone Hockey and Rugby Club, conveniently located on Enson Lane, just off the A34 in Stone and running in conjunction with the Festival Car Boot Sale and Dog Show and will be putting on refreshments including breakfast and a BBQ.

Whether you're a complete beginner or have some experience under your belt, our sessions cater to all, ensuring an inclusive and enjoyable experience for everyone. Discover the joy of gripping a hockey stick, mastering a pass, chasing down a tag or tackling opponents with finesse.
