

Stone Festival Treasure Hunt
Organised by Stone Lions Club (CIO)
Sunday 6th June to Sunday 13th June 2021

Now that the answers have all been marked, and the winner decided, we can share with you the “correct” answers to the Treasure Hunt questions.

The Treasure Hunt was organised by a member of the Stone Lions Club – who has been involved in Stone Festival for many years. He said:

“Many thanks to all who took part in this year’s Treasure Hunt and in particular for the nice comments which accompanied the entries

Firstly an apology. There was an error in the Post Code in Question 24 - it should have read L2 3PF - fortunately everyone got the answer correct despite that!

*There was a proper battle at the top of the "Leader Board" but in the end, with a score of 49 out of a possible 50, the triumphant team was "**We Are The Champions**". Congratulations to them, and they will be receiving a suitable (!!!) prize. Several other entries were in the 45+ category. Please don't forget: "The question master is always right "!*

Thanks again to everyone."

Whilst no charges were made this year, we hope that those who enjoyed the Treasure Hunt, and are able to, would consider making a donation to help the Festival's Good Causes - via our JustGiving page:
